

# EIA - 03\_Forms - Memory - Startseite

The image shows a hand-drawn user interface for a 'Memory - Startseite' (Memory - Home) page. The interface is contained within a rounded rectangle and includes the following elements:

- Header:** A box at the top containing the text 'Memory - Startseite'.
- Form Fields:**
  - A label 'Anzahl Karten' (Number of Cards) next to a numeric input field containing the value '3'.
  - A label 'Kartengröße' (Card Size) next to a slider input field.
  - Three color selection inputs labeled 'Background', 'CardBack', and 'Font', each with a corresponding color swatch.
  - Three radio button options labeled 'Font 1', 'Font 2', and 'Font 3'.
- Action:** A large 'Start' button at the bottom center.

Annotations on the right side of the image point to specific HTML elements:

- `<h1>` points to the 'Memory - Startseite' header.
- `<label>` points to the 'Anzahl Karten' label.
- `<input> step="1" </input>` points to the numeric input field.
- `<input> class="slider" </input>` points to the slider input field.
- `<input> type="color" </input>` points to one of the color selection inputs.
- `<input> type="radio" </input>` points to one of the radio button options.
- `<Button>` points to the 'Start' button.

Annotations on the left side of the image point to labels:

- `<label>` points to 'Anzahl Karten'.
- `<label>` points to 'Kartengröße'.
- `<label>` points to 'Background'.
- `<label>` points to 'Font 1'.
